PUBLIC NOTICE:
City of Grover Beach Declares a Stage III Water Shortage

How does this affect me?

All water customers are required to reduce their water use by 10%*

*Customers failing to meet the 10% reduction may incur significant fines and penalties for non-compliance.

Visit the City's website @ www.grover.org

On our website you will find helpful information on how to reduce water use and available conservation programs.

WATER PROHIBITIONS

The following actions are prohibited:
♦ Washing of sidewalks, driveways or roadways where air-blowers or sweeping provides a reasonable alternative
♦ Refilling of private pools except to maintain water levels
♦ Planting of turf and other new landscaping, unless it consists of drought tolerant plants
♦ Washing vehicles, boats, etc. without a quick-acting shut-off nozzle on the hose
♦ Washing any exterior surfaces unless using a quick-acting shut-off nozzle on the hose
♦ Restaurant water service (unless upon request)
♦ Use of potable water for construction purposes, unless no other source of water or method can be used.
♦ Operation of ornamental fountain or car wash unless water is re-circulated
