

City of Grover Beach

Street Rehabilitation & Repair Program

Your Measure K TAX DOLLAR\$ AT WORK!

Weekly Construction Update: Week of June 11, 2018

The City is continuing the multi-year project to rehabilitate streets utilizing voter approved bond funds generated by Measure K. More information regarding Measure K and future projects can be found on the City's website which can be accessed by following this link:

<http://www.grover.org/index.aspx?NID=321>.

1. Minor project repairs on 3rd Street, South 8th Street, between West Grand Avenue and Farroll Road, South 13th Street, between West Grand Avenue and Farroll Road, North 16th Street, between West Grand Avenue and Atlantic City Avenue, Long Branch Avenue, between Oak Park Boulevard and South 13th Street, Mentone Avenue, and Newport Avenue, are being conducted. These streets are nearing substantial complete status.
2. Repaving of Stinson Court has been delayed until early 2019 due to expected grant-funded waterline improvements.
3. On Long Branch Avenue, between South 4th Street and South 6th Street, the demolition of existing concrete driveways and curb ramps will be followed by grading to prepare for the installation of new concrete driveways, sidewalks and curb ramps will occur over the next two weeks. *NOTE: new concrete driveways require a 7-day curing time prior to vehicle use.*
4. Over the next two weeks underground water utility work, concrete curbs, gutters, sidewalks, and corner ramps will be constructed on Front Street, between 1st Street and Ocean View Avenue .

This status update is intended to inform the public on the status of the Measure K-14 Street Rehabilitation and Repair Project. Field conditions and work progress are monitored daily and are subject to change daily. As a result, the dates indicated in this update are also subject to change. Schedule and location information is most accurate within three weeks of the date of this posting. Information will be updated weekly.
