I believe that we accomplished a lot in the past four years. The City is on the verge of realizing its full potential. I wish I could be here to help guide it. Most of all I will miss the hardworking employees of the City, as well as the Rotary Club of Grover Beach"

With regard to his new job, Mr. Anderson said, "Suisun City is about twice the size of Grover Beach, and it too is poised to begin realizing its full potential.
