NOTICE OF VACANCY ON THE CITIZENS' TRANSPORTATION ADVISORY COMMITTEE

Mayor John Shoals announced that there is a vacancy on the Citizens' Transportation Advisory Committee. This committee is advisory to the San Luis Obispo Council of Governments (SLOCOG), a regional transportation, planning agency for the County of San Luis Obispo. Its membership is comprised of an appointment from each supervisorial district, each incorporated city in the county, as well as four "at large" appointments made by SLOCOG. Presently, one vacancy exists to be appointed by the City of Grover Beach.

The committee reviews and prepares recommendations to the SLOCOG Board on all phases of their transportation planning program, including public transit, airports, streets and roads, bicycle, pedestrian funding issues and plan preparation. The committee is an active, effective committee, which normally reviews and submits recommendations on transportation-related staff reports and plans.

The committee normally meets on Wednesdays of alternative months from 6:00 p.m. until approximately 9:00 p.m. in San Luis Obispo.

For more information, please contact the SLOCOG office at (805) 781-4219 or Executive Secretary Aida Nicklin at (805) 781-4292.
