## City of Grover Beach Considers Options for Restriping North 4<sup>th</sup> Street

Recently, the City of Grover Beach completed the repaving of North 4<sup>th</sup> Street. As a result of the repaving project, the Council has directed that options for restriping the street be developed for consideration. Consequently, the City of Grover Beach will be holding an informational meeting for the public on **Thursday, November 6, 2008 at 7:00 p.m.** The meeting will be held in the City Hall Council Chambers located at 154 South 8<sup>th</sup> Street in Grover Beach.

During the meeting, City staff will review and discuss several **options for restriping lanes on North 4<sup>th</sup> Street**. Options to be reviewed and discussed include: adding bike lanes, narrowing travel lanes, removing or narrowing of the designated center lane, and elimination of on-street parking.

*No decisions will be made at this meeting, but your input will be helpful in developing recommendations for review by the City Council.*

For more information, contact the City Management Office at (805) 473-4567. If you're not available to attend the meeting, please submit your comments and suggestions to the City Management Office at: [gbadmin@grover.org](mailto:gbadmin@grover.org).
