**STREET REHABILITATION PROJECT
South 6th Street – from Longbranch Avenue to Rockaway Avenue
and from Trouville Avenue to Seabright**

GRANITE CONSTRUCTION COMPANY will soon be starting road construction work for the **Grover Beach Street Rehabilitation Project on South 6th Street**. This project will include several different types of work such as grinding, paving, and placing new waterline systems that will soon be occurring on South Sixth Street from Longbranch Avenue to Rockaway Avenue and from Trouville Avenue to Seabright Avenue. Work crews and traffic control will be implemented from 7:00 a.m. to 5:00 p.m., Monday thru Friday. The work will begin on December 8, 2006 and should be completed near the beginning of January, weather permitting.

“No Parking” signs will be posted in several locations. We apologize for any inconvenience this may cause. Granite Construction Company and the City of Grover Beach will work with residents and businesses to maintain access, but we ask that you be patient and cooperative as we work to finish the job on schedule.

A “Neighborhood Tailgate Meeting” is scheduled for 4:00 p.m. on December 8, 2006 at the corner of 6th Street and Seabright, to ask any questions or state any concerns
