City of Grover Beach - Sales Tax Update

During the 2006 November election, voters of the City of Grover Beach approved a one-half percent retail transaction and use tax. The sales tax rate will increase to 7¾ % beginning April 1, 2007. It is estimated that the tax will generate \$470,000 annually in additional revenue for the City, and it will be used to maintain general services, which includes public safety services, street and storm drainage maintenance, as well as parks and recreation services. The new transaction and use tax must be charged on all tangible personal property that is delivered or placed into use within the Grover Beach city limits.

If you are a Seller or a Purchaser, and need information about this new tax, contact the California State Board of Equalization, Local Revenue Allocation Unit (916) 324-3000.
