

CITY COUNCIL STAFF REPORT

TO: Honorable Mayor and City Council **DATE:** September 12, 2022
FROM: Matthew Bronson, City Manager
PREPARED BY: Annette Munoz, Finance Manager
SUBJECT: FY 2022-23 Annual Master Fee Schedule Update

RECOMMENDATION

Adopt a Resolution updating the Citywide Master Fee Schedule to reflect minor changes to the Parks & Recreation and Police sections and to incorporate the updated Solid Waste Rates approved by Council on June 13, 2022.

BACKGROUND

The Citywide Master Fee Schedule summarizes all fees the City charges for various services and permits, such as building permits and recreational classes. The FY 2022-23 schedule was approved by Council on April 11, 2022 and became effective on July 1, 2022. Since this approval, the Council approved updated Solid Waste Rates on June 13, 2022 requiring a corresponding update to the Master Fee Schedule. Additionally, the Parks & Recreation section has been updated to increase cleaning fees for facility rentals to reflect the current cost to the City as well as to add a Santa's Workshop special event fee and a vendor participation fee for Summer Concerts. Finally, a card table fee inadvertently removed has been re-added to the Police section.

FISCAL IMPACT

The fiscal impact to the General Fund is estimated to be between \$1,000 - \$3,000 depending upon the level of activity for the related services during FY 2022-23. The Solid Waste Fees are a pass-through fee which will not result in a fiscal impact to the City.

ALTERNATIVES

The Council has the following alternatives to consider:

1. Adopt a Resolution updating the fees added to the Master Fee Schedule; or
2. Do not adopt the Resolution and provide alternative direction to staff.

PUBLIC NOTIFICATION

The agenda was posted in accordance with the Brown Act.

Please recycle, it is less expensive and it helps the community achieve its AB939 goal to reducing buried waste at the landfill.
