DEPARTMENT OF PUBLIC WORKS

CODE COMPLIANCE DIVISION

Are you interested in having the Police Department assist you with resolving unauthorized parking of vehicles in a fire lane on your property?

In order for the Grover Beach Police Department to provide parking enforcement on private property, it is first necessary for the property owner or manager to receive verification from the Five Cities Fire Authority that a fire lane exists on the property. Please contact the Five Cities Fire Authority Headquarters, at 805/473-5490, to request a site visit and verification signature on the attached Fire Lane Authorization form.

Once you have received verification that a Fire Lane exists on the property, proper signage (sample attached and outlined below) will need to be installed:

- Signs must be posted immediately adjacent to, and visible from, the designated area
- Signs must be constructed of strong, rigid metal or plastic
- Signs must be at least 18" in height x 12" in width
- "NO PARKING FIRE LANE" Lettering must be red on a white background and no less than 1" in height
- Signs must clearly state citation authority: Authority 3305.26 GBMC, Grover Beach Police Department
- Signs must be installed so that there is no less than 7' clearance from the bottom of the sign to finished grade
- The distance between signs must not exceed 50' and there must be a sign within 5' of the beginning of the designated Fire Lane

NOTE: installation and maintenance of NO PARKING signs located on private streets or drives are the responsibility of the property owner; for alternatives to posting signs, please contact our office.

After the signs have been installed, please contact the Grover Beach Police Department, at 805/473-4511, to request a site visit and verification signature, where indicated on the Fire Lane Authorization Form, that the signs have been placed correctly.

Lastly, submit the completed Fire Lane Authorization Form to the Police Department's Communications Supervisor at the address indicated. Once the form has been filed, you may call the Grover Beach Police Department at 805/473-4511 to request enforcement action.

Thank you for your concern. We appreciate your continued effort to make Grover Beach a safe and healthy community in which to live and work. If we can be of further assistance, please do not hesitate to contact the Community Development Department – Code Compliance Division at 805/473-4523.
