

**STAFF REPORT**

**TO: HONORABLE MAYOR AND CITY COUNCIL**  
**FROM: ROBERT PERRAULT, CITY MANAGER**  
**SUBJECT: REVISIONS TO APPOINTMENT OF COUNCIL MEMBERS TO VARIOUS  
BOARDS, COMMISSIONS AND COMMITTEES**

---

**BACKGROUND**

During the previous City Council meeting, the Council considered making appointments to the San Luis Obispo County Water Resources Advisory Committee (WRAC) for both the City representative and alternate positions, as well as the alternate position for the Zone 3 Advisory Committee. At the conclusion of the discussion, the Council appointed Council Member Nicolls to the alternate position on the Zone 3 Advisory Committee, but delayed making appointments to the WRAC until additional information was received regarding the Committee. Staff has completed the task of gathering that information. Staff is recommending the Council consider the information pertaining to the WRAC and then make the appointments.

**DISCUSSION**

According to the information staff has obtained regarding the Water Resources advisory Committee, this organization is involved with water supplies and availability of water on a county-wide basis. The purpose is to advise the County Board of Supervisors concerning all policy decisions relating to water resources of the San Luis Obispo County Flood Control & Water Conservation District, to recommend specific water resource programs, and to recommend methods of financing water resource programs. Meetings are held on the first Wednesday of each month, except during the months of July and August. Meetings begin at 1:30 p.m. and end by approximately 3:30 p.m., and are held in the San Luis Obispo City/County Library.

According to County staff, the appointed representatives to the Committee need not be a Council Member but does need to be knowledgeable regarding water issues. The appointment requires Board of Supervisor approval. County staff indicated that cities will often appoint a Council Member as the lead representative who can be available when policy issues are discussed and a staff member as an alternate who attends most of the meetings. City staff would recommend the Council consider following that approach. I have further reviewed the matter with Public Works Director/City Engineer Greg Ray. It is staff's opinion that it would be appropriate for Public Works Director/City Engineer Ray to fill the WRAC alternate position.

### **ALTERNATIVES**

The Council has the following alternatives to consider:

1. The Council could make appointments of a representative and an alternate to the Water Resources Advisory Committee;
2. The Council could choose not to make the appointments at this time; or
3. The Council could provide staff with additional direction.

### **RECOMMENDED ACTION**

It is recommended that the City Council make the appointments for a representative and an alternate to the Water Resources Advisory Committee (WRAC) and adopt the Resolution confirming the appointments.

### **FISCAL IMPACT**

It is likely that costs will be incurred for City representatives to attend various committee meetings within the scope of their assignments. Although not necessarily a fiscal impact, it should be noted that the Water Resources Advisory Committee representation requires approval by the San Luis Obispo County Board of Supervisors.
