

STAFF REPORT

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: ROBERT PERRAULT, CITY MANAGER

SUBJECT: PUBLIC HEARING TO RECEIVE INPUT ON THE GOALS AND WORK PROGRAM FOR FY 15

BACKGROUND

Setting the Goals and Work Program for the City is conceivably the most important part of the budget process. Once the program is adopted, staff will use the program as a guide to finalizing the budget. During the course of the fiscal year, the Goals and Work Program progress reports will be forwarded to the Council as a measurement tool. Attached for your use the Council will find an updated status report regarding the FY 14 Work Program. *(Please see Attachment 1.)* In February 2014, the Council conducted a workshop regarding staff workloads. *(Please see Attachment 2.)* Finally, during the last Council meeting on April 7, 2014, I provided the City Council with the FY 15 Budget outlook that reviewed the fiscal constraints and issues the City will be contending with during the upcoming fiscal year. *(Please see Attachment 3.)* Staff is recommending the City Council use this information in conducting a discussion regarding the development of the FY 15 Work Program, conduct the Public Hearing to receive input regarding the program, and then provide staff with direction to develop and finalize the FY 15 program, subject to Council approval.

DISCUSSION

In developing the FY 15 Work Program, the Council is requested to review and be familiar with the FY 14 Work Program Status Report, review the organization's current work load, and then review the staff recommended approach for development of the FY 15 Work Program.

As you will note from the attached Status Report, the approved FY 14 Work Plan was organized with seven over-arching goal statements, and beneath each goal is a listing of a number of major tasks to be accomplished in order to meet the goal, along with estimated completion dates. The top priority goal in FY 14 was ***Economic Vitality*** and this goal was broken into two subparts: ***1A. Economic Development*** and ***1B. Financing and Funding***. The remaining goals were numbered 2 through 7, but do not relate to priority. The report provides status updates regarding the individual tasks. In reviewing this information, the Council will note that several of the tasks have been completed. In some cases, the completion dates have been revised to reflect work in progress.

APPROVED FOR FORWARDING

ROBERT PERRAULT
CITY MANAGER

Please Review for the Possibility of a Potential Conflict of Interest:

Meeting Date: April 21, 2014

Agenda Item No. 4

Workload

In February 2014, the Council conducted a workshop regarding staff workloads as a part of the preparations for development of the coming year's budget. As discussed at the February meeting, several of the tasks outlined as a part of the workload were directly related to the implementation of a Goal contained in the Work Program, while other tasks were not. A number of the tasks are associated with the implementation of a state mandate, requirements of outside agencies, or a Council directive. In setting the Work Program for FY 15, the impact of workload on limited staff also needs to be kept in mind. The following is a list of tasks / projects culled from the workload listing that I believe will require both staff and Council attention in FY 15:

Workload Tasks for FY 15 (please note: listing is not prioritized)

Grover Beach Lodge Project Facilitation	Holiday Inn Project Facilitation
Local Coastal Plan Amendment (LUE) Land Use Element	CDBG (grant) Project Implementation
Economic Development Strategy	Broadband Project Implementation
Preparation for Street Bond Measure	Water System Upgrades
Stormwater Program	West Grand Avenue Phase 3
Train Station Expansion Design	Water Resource Management
Sign Ordinance	November Election
Charter Measure Process	Conflict of Interest Update
Records Management Update	Maintain Police Department Staffing
Parks Facilities Upgrades and Maintenance	Business Tax Certificate Program
Implementation of Manual Meter Reading	Financial System Upgrade or Purchase
Emergency Management Training	Cleaver Park
Continued Implementation of Short-Term Street Rehabilitation Strategy	

Approach

In developing the FY 15 Work Program, staff would suggest the Council use the current approved Work Program as a base. The foremost Goal in the Work Program is **Economic Vitality**. Currently the City has undertaken six (6) major initiatives that are directly related to Economic Vitality. Each of these initiatives will require a significant amount of time, resources, and focus to bring to fruition. These six initiatives include:

- Facilitation of the Grover Beach Lodge Project
- Facilitation of the Holiday Inn Project
- Street Rehabilitation Financing Measure
- Charter Measure Processing
- Broadband Network Implementation
- Economic Development Strategy.

Staff would suggest the City Council next review the six remaining Goal statements, determine whether the statements are still applicable, and identify the specific task that needs to be carried out under each Goal. Where tasks have been completed, those items should be eliminated. Given the City's constraints, staff would recommend simplifying the program and avoid adding new tasks unless absolutely necessary.

ALTERNATIVES

The Council has the following alternatives to consider:

1. The Council could review staff provided materials and recommended approach, receive public input, and provide staff with direction; or
2. The Council could identify and develop a different approach to completing the FY 15 Work Program.

RECOMMENDED ACTION

It is recommended that the City Council review staff provided materials and recommended approach, conduct the public hearing, and provide staff with direction.

FISCAL IMPACT

There is no direct fiscal impact associated with development of the Goals and Work Program for FY 15. The Goals and Work Program, once adopted, will provide direction to staff in the development and finalization of the FY 15 Budget. Specific impacts resulting from the adopted Goals and Work Program will be detailed in the FY 15 Budget.

PUBLIC NOTIFICATION

The agenda was posted in accordance with the Brown Act.

City of Grover Beach

Goals and Work Program Status report - FY 14 St

Approved by the City Council on April 15, 2013;
Reviewed, Modified, and Approved by the City Council on November 4, 2013;
Status Update Presented to the City Council on April 21, 2014

1. ECONOMIC VITALITY

Goal: *Develop a strong, vital municipal organization empowered to maximize current and future resources and to work with its partners to deliver quality services to its citizens and improve infrastructure.*

1A - ECONOMIC DEVELOPMENT

Goal: *Continue to strengthen the City's economic base by promoting the City for business and tourism, cooperatively with economic development organizations and business owners to retain existing jobs, and create employment opportunities.*

- **Move the Grover Beach Lodge through the pre-construction process necessary for the issuance of building permits.**
Status - *The project has been delayed as a result of extended discussions between the City/ State and Coastal Commission regarding a project condition. Project has been entitled pending completion of an appeal period with the Coastal Commission*
 - Complete and Implement Financing Agreement with Pacifica Companies. ~~(12-30-13)~~ (7-1-14)
 - Modification of Agreement between the City / State and Concessionaire. ~~(02-28-14)~~ (09-30-14)
 - Complete City plan check of construction plans and coordinate plan review with the State. (This will likely occur after ~~July 1, 2014~~ April 1, 2015).
- **Complete Implementation of Municipal Broadband Network.**
Status - *Discussions have been extensive and ongoing but are nearing completion.*
 - Complete contract discussions with Digital West. ~~(11-30-13)~~ (05-31-14)
 - Complete installation of the Network. ~~(06-01-14)~~ (11-1-14)
 - Establish a marketing plan directed at new businesses and coordinating promotion efforts with partners and agencies within the area. ~~(06-01-14)~~ (07-01-14)
- **Maintain the existing marketing program by continuing to support and work collaboratively with local businesses and organizations, focusing on local events and public relations efforts.**
Status - *All events have been supported.*
 - Support Savor the Central Coast, Stone Soup / Dune Run Run, Train Day, and Car-free events. (09-30-13) **Completed.**

- **Strengthen the City's economic base by supporting existing businesses, and modifying existing goals and policies to facilitate business development.**

Status - Community Development Block Grant funding has been identified for development of strategy. Scope of work for potential consultant to complete strategy will be brought to Council later this spring.

- Update the Economic Development Strategy to focus on economic efforts based on available resources, identifying one or two project areas. ~~(06-30-14)~~ (10-30-14)
- Continue to implement a program to meet with new businesses in order to acquaint them with services and resources available through the City and other economic development organizations. (ongoing)
- Make recommendations to City Council regarding revisions to current infrastructure requirements associated with new development. ~~(04-01-14)~~ (Ongoing)

1B - FINANCING AND FUNDING

Goal: Implement a strategy that increases revenues and makes the best use of existing resources to sustain and improve core City services and meet infrastructure funding requirements.

- **Review current and future revenue options.**

Status - Given Council consideration of possible ballot measures for Streets and a City Charter, staff recommends discussion regarding a Business Tax adjustment be delayed.

- Continue to explore options to revise the Business Tax Certificate Program. ~~(05-15-14)~~ (Recommend delay)
- Review with the City Council financing options for the Long-term Street Rehabilitation Program for discussion with the public. ~~(08-30-14)~~ Completed
- Continue solicitation of grant alternatives. (ongoing)

- **Identify and implement best municipal practices to efficiently and prudently use existing resources.**

- Provide City Council with recommendations for placement of the Charter Measure on the ballot in 2014. ~~(12-16-13)~~ Completed
- Work with community partners to improve the use of energy resources for public facilities. (ongoing)

2. STREETS, UTILITIES, AND INFRASTRUCTURE

Goal: Develop and maintain a modern street and infrastructure system that will provide for the safe and continuous movement of traffic and anticipates future demands for water distribution, wastewater, and stormwater collection and drainage.

- **Continue to implement short- and long-term strategies for the rehabilitation of streets.**
 - Identify proposed program and funding sources for short-term street rehabilitation, including curb, gutter, and sidewalk in FY 14. ~~(12-16-13)~~ Completed
 - Review with the City Council long-term strategy and funding options for street rehabilitation. ~~(12-16-13)~~ Completed
 - Explore alternative methods for improving City streets. ~~(12-16-13)~~ (Ongoing)
 - Complete construction of West Grand Avenue Enhancement Project, Phase 3. ~~(06-30-14)~~ (06-30-15)

- Continue to seek funding for the repair of Oak Park Boulevard. (~~ongoing~~) **Completed**
- Install shadow conduit as a part of all major infrastructure projects where feasible and practical. (Ongoing)
- Complete final design for the undergrounding of utilities on West Grand Avenue between Highway 1 and the Pacific Ocean. (~~03-31-14~~) **(09-30-14)**
- Continue to maintain a water system that complies with State health requirements, and maintain sewer and stormwater systems that comply with Regional Water Quality Board requirements. (Ongoing)
Status - Update to Stormwater ordinances has been completed. Staff is still working with the Regional Water Quality Control Board to gain approval of new Stormwater Permit. City received Community Development Block Grant funding in the amount of \$1.3 million for waterline upgrades.
 - Update the Stormwater Ordinance. (~~12-16-13 and 03-31-14~~) **Completed.**
- Develop and present to the City Council a program to restore and maintain municipal facilities. (06-01-14)

3. PUBLIC SAFETY - POLICE DEPARTMENT / FIVE CITIES FIRE JPA

Goal: Maintain a safe community by providing well-trained and equipped public safety / emergency medical services personnel (police and fire).

- Increase sworn personnel to a full 19-officer complement.
Status - Staff has worked to fill sworn positions and vacancies have been identified. Staff anticipates an additional retirement and would recommend keeping sworn positions filled at a minimum of 17 positions - total allocation is 19.
 - Fill one of the vacant positions, bringing the current complement to 17 sworn officers. (~~12-30-13~~) **(08-01-14)**
- Support Five Cities Fire Authority's effort to establish an additional long-term and stable funding source for the Authority.
Status - The City did support the Five Cities Fire Authority's efforts for long-term funding.
 - Assist Five Cities Fire Authority in the development of a funding mechanism that will ensure the continued delivery of quality services to the public. (~~06-30-14~~) **Completed.**

4. COMMUNITY DEVELOPMENT AND HOUSING

Goal: Develop and implement plans consistent with the General Plan and the community's vision for the future of the City, balanced land uses, economic vitality, the creation of a wide range of housing opportunities, and improve the quality of life.

- Continue the comprehensive update of the Zoning Code, as prioritized by the City Council. Zoning Code sections to be updated include:

Status- Sign ordinance will likely be initiated in the 2nd Quarter of next fiscal year. Work on Parking Standards and Planned Unit Development Standards will be initiated upon completion of the Sign Ordinance. Efforts will likely be completed in FY 16.

- Sign Ordinance (Likely to be initiated after July 1, 2014)
- Parking Standards (~~FY 15~~) (FY 16)
- Planned Unit Development Standards (~~FY 15~~) (FY 16)

- **Complete State-mandated updates to the following documents:**
Status- Housing Element is on schedule to be completed at the end of this fiscal year and Climate Action Plan will be reviewed by Council before the end of the fiscal year.
 - Housing Element (06-30-14)
 - Climate Action Plan (~~01-30-14~~) (06-30-14)
 - Building and Fire Codes (11-15-13) Completed.

- **Partner with a non-profit organization to develop an affordable housing project.**
Status- staff has completed one meeting with a possible partner.
(~~03-31-14~~) (ongoing)

5. PARKS, RECREATION, AND BEAUTIFICATION

Goal: Maintain existing park facilities and develop new park facilities that will contribute to improving the quality of life for residents and visitors to Grover Beach.

- **Update the City-approved street tree list.**
Status - List is ready for review by the City Council.
 - Forward list approved by Parks, Recreation & Beautification Commission to the City Council. (01-30-14)

- **Explore opportunities to partner with community organizations and locate community garden sites throughout the community.** (~~02-03-14~~) (Ongoing)

- **Update inventory of park facilities and complete Parks, Recreation & Beautification Commission recommendations to the City Council regarding rehabilitation priorities.** (~~01-30-14~~) Completed.

- **Increase use of online registration and reservations with the ActiveNet Program for park facilities and programs.** (~~06-30-14~~) (Ongoing)

6. TRANSPORTATION

Goal: Develop a multi-modal transportation system (to include automobile, transit, rail, etc.) and support infrastructure that facilitates the safe movement of goods and people through the community and the South County area.

- Complete preliminary design and construction plans for expansion of the Train Station. ~~(03-31-14)~~ (12-31-14)
- Work with South County Area Transit (SCAT) to implement an alternative bus route to improve service from the Ramona Transit Center to the Pismo Beach Outlet Center. (ongoing)

7. PUBLIC ADMINISTRATION

Goal: Facilitate the implementation of the City Council's vision for the community through the effective and efficient use of City resources and personnel.

- Reduce employee concessions and budget impacts. (Ongoing)
- Prepare Charter Measure for consideration by voters. ~~(01-30-14)~~ Completed.

###

STAFF REPORT

TO: HONORABLE MAYOR AND CITY COUNCIL
FROM: ROBERT PERRAULT, CITY MANAGER
SUBJECT: DISCUSSION REGARDING STAFF WORKLOAD

BACKGROUND

City staff requested this workshop with the Council to discuss workloads. The purpose of the workshop is to update and familiarize the Council with the current workload in preparation for a more extended discussion with the Council regarding goal setting and the development of the work program for the coming fiscal year. This report and the staff presentations that will be made as a part of the meeting are for the Council's information only. No formal Council action is recommended or anticipated as a result of this workshop.

DISCUSSION

As noted, the intent of this workshop is to acquaint and update the Council regarding staff workloads both on a day-to-day basis and with the projects and tasks that are more time and resource consuming, but also are expected to be accomplished. In order to facilitate the Council's review and discussion, directors and managers developed lists of on-going department tasks and pending projects which are attached to this staff report.

Although the formats provided by the departments differ slightly, the first listing for each department or division details the normal or ongoing activities the department is generally involved with or responsible for on a regular basis. The second portion of the listing focuses on projects, tasks, and special assignments. This listing also provides information regarding projects and tasks priority, deadlines, and a brief description regarding the project and/or task. The Council will recognize several of the projects on these lists as a part of the Council-approved Goals and Work Program, thus the priority. Other tasks and projects are prioritized as the result of a state mandate, grant funding deadline, or an operational issue. In some cases, the Council will note that a project and/or task may be listed in several areas as there is shared responsibility. For example, work efforts associated with the Grover Beach Lodge and Conference Center are noted on several different department lists. In reviewing the Police Department submission, you will note that a different format was used. The projects and tasks listed by the Police Department are self-generated and not driven by a specific Council goal or a third party requirement. The projects listed for the Police Department are those identified by Police management as necessary to ensure the safety of the community.

APPROVED FOR FORWARDING

 ROBERT PERRAULT
 CITY MANAGER

Meeting Date: February 24, 2014Agenda Item No. 7

Finally, while reviewing the workload information I would suggest it is always important to consider the City's personnel and resource constraints. Excluding the City Manager, City Attorney, and consultants, the number of non-field staff (office staff of all levels) is 18. By comparison, Arroyo Grande has 28 non-field employees and Pismo Beach has 32 non-field employees. This City's General Fund Budget is at \$7.2 million and remains the smallest General Fund budget for any incorporated City within the County. Consequently, it sometimes takes us a bit longer to get the assigned projects and tasks completed than it does our counterparts.

The following presentation order is recommended to coincide with the attachments:

1. Public Works Department
2. Community Development Department
3. Administrative Services Department
4. Parks and Recreation Division
5. City Management
 - City Clerk
 - Human Resources
 - City Attorney
6. Police Department

ALTERNATIVES

There are no alternatives to consider for this workshop discussion.

RECOMMENDED ACTION

This is an informational workshop and no formal action is contemplated.

FISCAL IMPACT

There is no direct fiscal impact associated with receiving this informational report.

PUBLIC NOTIFICATION

The agenda was posted in accordance with the Brown Act

Builder's Exchange Report for City's Website
Prepare Fee Reports for SMIP & Seismic Hazard Mapping (CA Dept. of Conservation), Green Building Fee (CA Building Standards Commission), & Wastewater Facility Fees (South County Sanitation)
Housing
Compliance Letter for Affordable Housing Agreements
Housing Element Annual Review
Water Conservation
Manage Water Conservation Programs: Washing Machine & Turf Replacement Rebates, Toilet Retrofits (review/track applications, inspections & invoicing)
Updating Water Conservation information on City's Website

**Community Development Department – Special Projects
February 2014**

Project	Priority	Deadline	Description/Comments
Grover Beach Lodge	Council Goal		Complete entitlement process, complete and implement financing plan, modify JPA and Concessionaire Agmt.
Holiday Inn	Council Goal		Development plan review, LAFCO approval of Outside User Agmt.
LCP Amendment for LUE & Development Code Update	Operations		Coastal Commission approval required for LUE update and Development Code update to take effect in the Coastal Zone.
CDBG Management/Administration	Grant Funding		CDBG Funding. Required as a condition of funding.
Housing Element Update	Mandate & Grant Funding	June 2014	CDBG Funding. Update required by State law to remain eligible for future grant funding.
Economic Development Strategy Update	Grant Funding & Council Goal	June 2014	CDBG Funding. Requires hiring a consultant, preparing draft plan and public hearings.
Train Station Expansion	Grant Funding & Council Goal	2015	Federal & State grant funding for project construction. RFP for NEPA document preparation.
Climate Action Plan	Mandate & Council Goal	October 2013	Grant funding paid for preparation of draft CAP. Council public hearing required for consideration of adoption.
Broadband Network	Council Goal		Complete agreement with Digital West. Implement Phase 1 of the Master Plan.
Sign Ordinance Update	Council Goal	June 2014	Requires drafting ordinance and multiple public hearings.
Parking Standards Ordinance Update	Council Goal	FY 2015	Requires drafting ordinance and multiple public hearings.
PUD Ordinance Update	Council Goal	FY 2015	Requires drafting ordinance and multiple public hearings.
Revise Current Infrastructure Requirements	Council Goal	April 2014	Recommendations to Council of potential revisions to Infrastructure requirements (e.g., street improvements, utility undergrounding) for new development.
HOME Program	Grant Funding		City received \$700k grant for first time homebuyer assistance and owner occupied low-income housing rehabilitation. Requires RFP for consultant to administer grant and City staff to manage program.

Administrative Services Department

Staff Members (6)

1. Administrative Services Director
2. Assistant Administrative Services Director
3. Accounting Specialist
4. Revenue Technician
5. Account Clerk
6. Customer Service Representative

Ongoing Activities

1. Accounts Payable
2. Annual Reports to CJPIA
3. Annual Reports to State of California
4. Audit
5. Budget Preparation
6. Business Tax Certificates - new, renewals, transfers, multi-dwelling inspections, tobacco licence and compliance
7. Cash receipting and reception for entire City
8. City Hall mail - sort and distribute
9. Download and Import Utility Billing Credit Card Payments
10. Duplicate Parks and Recreation cash receipt entries into Activenet.
11. Information Technology oversight and coordination
12. Internal Water Rate Study
13. Maintain various tracking spreadsheets
14. Mid-Year Budget Review
15. Monthly Financial Reconciliations
16. Payroll, PERS reporting, quarterly reports, W2's
17. Risk Management Oversight
18. Sales Tax Committee report preparation and meetings
19. Single Audit each year if required by guidelines
20. Staff for Successor Agency to the former Grover Beach Improvement Agency
21. Utility Billing - Regular bills, shut-off notices, door hangers for shut-offs, and shut-offs worked

Special Projects/Tasks

<u>Project/Task</u>	<u>Priority</u>	<u>Deadline</u>	<u>Description/Comments</u>
1. Return to manual meter reading	Operational	ASAP	Water meters and radios are past their warranty and staff has been experiencing issues with the processing of the bills.
2. Risk Management policy updates	Council Goal	FY 14	Various policies need to updated
3. Update Travel Policy	Operational	FY 14	Travel Policy is in need of an update to remain current.
4. Update Purchasing Policy	Operational	FY 14	The Purchasing Policy has not been updated in a number of years and needs to be updated to be more efficient.
5. Cabinets for Department files, supplies, and equipment	Operational	FY 14	The cabinets are the final phase of the front counter consolidation for the Administrative Services Department.
6. Financial System Upgrade or New Purchase	Operational	FY 15	The current system was purchased 17 years ago and is antiquated. A change will promote efficiencies throughout City departments.
7. RFP for Audit Services	Operational	FY 14	The last RFP was done in 2005.

Administration (Staff: 1 Management, 1 Coordinator)

ONGOING WORK ACTIVITIES

- **External and Internal Customer Service**
Daily interactions with the staff and public via phone, email, walk-ins.
- **ActiveNet (on-line registration/payment system)**
Daily use of system includes: entries, payments, customer online registrations and reservations.
- **Contractors and Partners**
Administrative review of agreements including: Class contractors, recruiting, YMCA Lease Agreement, Lucia Mar Unified School District facility uses, partnerships with schools, special event partners, and janitorial company services.
- **Parks, Recreation & Beautification Commission and City Council (as needed)**
Monthly meeting preparation including: Minutes, Staff Reports, Beautification Awards, special events review.
- **Parks and Facilities**
Ongoing safety inspections, reporting, maintenance and operations
- **Volunteer Program**
Daily contact with volunteers including: recruiting, training, scheduling, recognition, retention.
- **Special Events**
Chart of Work development for annual events including: planning, organizing, execution, evaluation, volunteer assistance, budgeting, sponsors, agency partnerships. Ongoing planning for an average of 1-2 special events a month.
- **Adoption Programs (park, bench, table, tree, etc)**
Administrative review on a case-by-case basis depending on type and location.
- **Major Sponsor Program**
Administration of existing sponsor partnerships and research and development of new.
- **Public Relations, Marketing and Economic Development**
For locals and tourists via FB, PR, special events, posters, brochures, Activity Guide, Chamber of Commerce, etc.
- **Grant Management**
Maintaining existing grant mandates and researching new grants.
- **Financial Management**
Budget preparation, tracking, invoicing.
- **Networking Partnerships (local, state, national)**
 - San Luis Obispo County Association of Parks and Recreation Administrators
 - San Luis Obispo County YMCA South County Board Member
 - Five Cities Diversity Coalition
 - CA Parks and Recreation Society Board Member
 - Cal Poly University, Cuesta and Hancock College Recreation Administration guest lecturer

Administration (Staff: 1 Management)**SPECIAL PROJECTS**

Project	Priority	Deadline	Description/Comments
Grover Heights Restroom Rehabilitation	Grant Funding	Jun-2015	Rehabilitation of restroom facility to be ADA compliant and upgrade of walls, plumbing, fixtures and paint.
Mentone Basin Park	Sponsors/Council Goal	Jun-2015	Repair of dilapidated portions of the park including seating, concrete, fence, sports courts, lighting and restrooms.
Parks & Facilities Matrix	Council Goal	Jun-2014	Assessment of parks and facilities maintenance and capital improvements.
Janitorial RFP	Operations	Jun-2014	Review janitorial service options to determine best service delivery system for City parks, facilities, community centers.
Adopt A Park, Bench, Tree, Picnic Table	Operations	Jun-2014	Review of adoption and sponsor programs to determine best cost effective program for the City.
Naming Rights	Council Goal	Ap-2014	Review of naming rights related to parks, facilities, rooms, etc., to identify potential long-term revenue streams.
Cleaver Park	Council Goal	Ongoing	Consideration of alternatives.

**CITY MANAGEMENT OFFICE
CITY CLERK**

Staffing: 3 staff members (not including City Manager):

City Clerk/Executive Assistant, Administrative Specialist (Confidential), Human Resources Coordinator/Deputy City Clerk

<u>Ongoing Work Activities/Tasks</u>	<u>Priority</u>	<u>Deadline</u>	<u>Description / Comments</u>
Administration – Administer Oaths	Mandate	Ongoing	Public officers and employees must take and subscribe to oath of allegiance

GB Lodge & Conf Cntr	High	ASAP	Assist through final entitlements and financing plan

Police Department

1. List of ongoing work activities

- Staffing for activities not related to providing the day to day operations of police work; 1 Chief, 1 Commander, and at times a few other staff.
- Day to day Police and Dispatch work. Our Police, Fire and Dispatchers in 2013 handled 20,270 calls for service, including 4,945 911 calls, the highest ever. Our police officers arrested 843 people, and issued 1,769 citations. We conducted DUI checkpoints, participated in the County "Avoid the 14" program, pedestrian stings, special drug enforcement details, and conducted Tobacco and Alcohol stings involving minors purchasing cigarettes or alcohol at our local businesses. Our Volunteers served many hours, helping our department and our community.

Below is a list of ongoing activities and projects the police department has identified and wishes to accomplish in FY14 or soon thereafter. Funding for most of these projects has been identified through the approved General Fund or Grant funding. The only real deadline imposed has been established by us to accomplish them. Some have been identified as officer safety issues that need to be completed. The difficulties are balancing the staff time with the necessary police work.

Personnel

- Hiring Personnel & Training (One officer just hired and in training, one officer vacancy remaining, two frozen officer positions, one reserve officer in training, one dispatcher in training)
- Department leadership mentoring program (for succession planning and staff development)

Policies

- Develop in-house training for department jail procedures
- Evidence Procedure modifications

Equipment

- Armored Vehicle and Command vehicle enhancements
- Automatic Vehicle Locator monitors for Police vehicles and Fire Apparatuses (for Dispatch)
- Evidence Room - remodel and combine space with storage room
- Facility Improvements, Identify needs and funding sources
- Replace weapons - bid and select (Purchased and waiting for training)
- Station Video Cameras -Replacement, color, add to City Hall lobby

Facilities

- Hillcrest Tower Generator & Backup for Radio Repeater (Install GB battery back-up)
- Concrete area behind police parking for storage lockers and new dog kennel
- Obtain two outside evidence metal storage sheds for marijuana and other needs

- Hazardous Materials - storage locker
- Remodel lobby storage room to accommodate Live-Scan machine
- Remodel office space and build wall for enhanced interview room
- Remodel old interview room to accommodate volunteer work area

Programs, Operations, Regulations

- Penal Code 290 Sex Registrant Ordinance revisions
- Aggressive Animal - ordinance amendment to comply with County
- Card Room regulations - extra tables requested, review, and City Council authorization
- Homeless / Transients Issues (encampments, pan handling, Peoples Kitchen)
- Special Enforcement Issues (social or drug issues, neighbor complaints)
- Police Volunteer Program
 - new trainees
 - Citizen Academy for 2014
 - Volunteer monthly training program for 2014
 - Field Training Officer Program for new volunteers, develop and implement
 - Research for K-9 Volunteer to assist patrol officers

Emergency Operations

- Emergency Operations Center – Report for CC roles and responsibilities and Table Top drill and workshop
- Emergency Management Assignments/Description for City Staff and training
- Emergency Medical Dispatcher training program, costs, and liabilities
- Emergency Operations Center – Operation Plan and Public Information Officer - plan drawn up and ready
- Revise Emergency Operations Plan, FY15
- National Incident Management System (NIMS) emergency training compliance
- Review Local Hazard Mitigation Plan for Preparedness Assessment, FY15

Fire

- Fire Dispatch, addition of mobile computers for Fire Dispatch
- Fire Dispatch. Addition of all Fire Authority areas

Police Chief/Assistant City Manager Projects List:

- Economic Development - committee and plans
- Records Management and Purging policies – update
- IT Management Issues
- Council Agenda Packets - assist and help process, as needed
- Council electronic tablets - explore possibilities and funding
- Job Specifications – review and update as needed
- Personnel Rules and Regulations update for City personnel
- Employee Negotiations

STAFF REPORT

TO: HONORABLE MAYOR AND CITY COUNCIL
 FROM: ROBERT PERRAULT, CITY MANAGER
 SUBJECT: FY 15 BUDGET OUTLOOK

BACKGROUND

The purpose of this report is to provide the Council with an initial outlook of the FY 15 Budget at this stage in the budget's development. This outlook will review the preliminary revenue and expenditure estimates for the City's key funds. As noted, these estimates are preliminary and will be subject to further refinement as we move closer to formal budget review. Also included in this report is an initial assessment of the budget issues the Council will likely be dealing with as a part of the budget deliberation process. During the next City Council meeting, staff will be working with the Council in a Public Hearing setting to review the status of the City's current goals and work plan and to assist the Council with modification of the work plan for FY 15. Staff is anticipating the draft budget will be completed in May, with Council deliberation and approval coming in June. This report is informational in nature. Consequently, staff is recommending the report be received and filed.

DISCUSSION**General Fund**

The General Fund is the City's largest fund with total approved expenditures of \$7.388 million dollars. It is also the main provider of essential services to our citizens, including police, fire, public works, planning, parks and recreation, and general administration. The City's General Fund is by far the smallest General Fund of any of the incorporated cities within San Luis Obispo County.

In recent years, a General Fund deficit has been identified in the initial phase of budget development. In each of those years, the Council made difficult decisions that led to balanced budgets. Those decisions were not easy and have impacted the public with a reduction in the City's level of services. Balancing the budgets has also been made possible through employee concessions, including furloughs, and staffing reductions. This has been coupled with delayed equipment purchases and minimal expenditures for facility upkeep and maintenance.

In the current fiscal year FY 14, the City saw a slight improvement in the General Fund due to a modest improvement in the local economy. As a result, the employee furlough program was decreased from 16 days to 7. This modest improvement is expected to again assist with a similar improvement in the General Fund for FY 15. Based on the most recent estimates, the

APPROVED FOR FORWARDING

ROBERT PERRAULT
 CITY MANAGER

Meeting Date: April 7, 2014

Agenda Item No. 15

General Fund portion of the budget is expected to demonstrate the following:

Beginning Cash Balance:	\$2,217,321
Total Revenues:	\$7,593,356
Total Expenditures:	\$7,553,953
Revenues/ Expenditures:	\$ 39,403
Ending Cash Balance	\$2,256,724

In providing the preliminary budget estimates, the following assumptions have been made:

- Secured Property Tax is expected to increase by 3%.
- Base Sales Tax is projected to marginally increase from \$750,000 to \$784,000.
- Development-related revenues will remain consistent largely due to continued build-out of Tract 3038. This is expected to contribute a total of \$80,000 in one-time revenues.
- Current expenditure estimates reflect the elimination of employee furloughs. (Subject to meet and confer process.)
- Current expenditure estimates reflect a status quo budget with no significant additions for programs services or facility improvements.

During the next three months staff, and ultimately the Council, will need to address a number of challenges in finalizing the budget. In recent years the City has withstood significant reductions resulting from the decisions made to balance the budget and the loss of the Improvement Agency (redevelopment). As a result there are several competing cost issues that will need to be addressed. These competing issues include: the need to replace key personnel, overdue equipment purchases, economic development, facility maintenance and repair, street rehabilitation, and employee compensation. Initial budget requests that represent increases above the status quo budget amount to over \$1,000,000 organization wide. A significant portion of this amount would need to be addressed during deliberations on the General Fund.

Reserve Funds Status

At the end of the current fiscal year, the cash balance in the General Fund is estimated at \$2,217,321. Fortunately, the City's General Fund reserves have recovered from the point in time the City actually used reserves to balance the budget. The City's current fiscal policies require that a minimum of 20% of the operating budget be held in reserve. Provided the City achieves the current estimate, reserves will exceed the minimum requirement. It should be noted that frequently cities will maintain 25% of the operational budget in reserves and staff would suggest the City needs to review its current policy. In any event, reserves should be used to cover the costs associated with emergency expenditures, unanticipated events, and one-time non-reoccurring expenditures.

Enterprise Funds

Water - Given the ongoing drought and the need to ensure the City's water sources are secure, the Water Enterprise is likely to receive increased focus in FY 15. Operationally the fund has recovered nicely from the deficit spending witnessed in prior years. This improvement has been due to annual analysis of the fund completed by staff and subsequent rate adjustments approved by the Council.

The following preliminary estimates of beginning cash balance, revenues, expenditures, and projected ending cash balance is provided:

Beginning Cash Balance:	\$ 901,516
Revenues:	\$ 3,311,713
Expenditures:	\$ 3,139,015
Revenues / Expenditures:	\$ 172,698
Ending Cash Balance:	\$1, 074,214

As noted, these figures represent preliminary estimates. The expenditures assume elimination of the employee furlough program and that water sales will remain consistent. This budget estimate also reflects a capital expenditure of \$175,000. Staff is anticipating that the amount of funds to be spent on capital will increase significantly. First, upgrades to the water lines in critical areas will be accomplished in FY 15 utilizing nearly \$1.2 million dollars in Community Development Block Grant funding. Additionally, the Council will be asked to consider a number of capital projects that will be necessary to improve our ability to manage water source use (Ground Water Basin / Lopez Lake). There are several capital projects that will need to be undertaken in order to preserve the existing delivery system. Collectively these improvements could easily amount to an estimated \$500,000 per year.

Finally, staff has participated in ongoing meetings with our partners in the Northern Cities Management Association (NCMA). These meetings have been directed at developing both a short- and long-term strategy regarding water source preservation and augmentation. These efforts will be the subject of another report that will be brought to the Council in the coming weeks. Depending on Council authorization, participation in the regional projects could cost the City an additional \$300,000 in FY 15. Once the capital decisions are made, staff will be in a better position to determine the amount of proposed rate adjustment that will be necessary to consider in a Proposition 218 process.

Waste Water -The preliminary FY 15 Budget estimates are as follows:

Beginning Cash Balance:	\$2,739,307
Revenues:	\$2,142,200
Expenditures:	\$2,240,612
Revenue/ Expenditure:	(98,412)
Ending Cash Balance:	\$2,641,496

In FY 12, the City combined the Storm Water Fund with the Wastewater Fund. The implementation of this program continues to ramp up and is costly. Costs are anticipated to increase next year and will likely exceed the \$258,000 in Storm Water Fee revenue collected. This is an unfunded state mandate that may require an additional rate adjustment to cover the costs of meeting state reporting requirements.

RECOMMENDED ACTION

It is recommended that the City Council receive and file this report.

FISCAL IMPACT

This is an informational report. No fiscal impact from this report is anticipated.

PUBLIC NOTIFICATION

The agenda was posted in accordance with the Brown Act.
