

THE CITY OF GROVER BEACH

Firework Safety Reminder!

"Safe and Sane" fireworks are those that are neither projectile nor explosive.

"Safe and Sane" is not a brand name, but describe types of fireworks that include: fountains, sparklers, smoke-balls, snake-type fireworks, ground-spinning fireworks, pinwheels, most novelty fireworks, toy trick noisemakers, and some crackling items—basically anything that doesn't leave the ground.

"Safe and Sane" Firework Safety Tips

- Find out about all local regulations for the use of all fireworks
- Be sure to read all of your fireworks' instructions and safety precautions
- If you are under 16, use adult supervision
- Only purchase your fireworks from trustworthy vendors
- Only light your fireworks outdoors
- Have a bucket of water on hand
- Do not attempt to make your own fireworks
- Only light one firework at a time
- If your firework malfunctions, do not re-light it
- Store your fireworks in a cool, safe area
- Never light fireworks in metal or glass containers
- Never throw a firework at another person
- Never carry your fireworks on you (i.e. in your pocket)
- Dispose of your ignited fireworks properly

The discharge period for "Safe and Sane" fireworks in Grover Beach is from Noon on July 3, 2018 until Midnight (early morning hours) on July 5, 2018. Residents can report firework violation to the Grover Beach Police Department non-emergency dispatch number (805) 473-4511.

Have Fun and Have a SAFE Fourth of July!
