

# Grover Beach Police Department

## Department Training 2020

It is the policy of this department to administer a training program that will provide for the professional growth and continued development of its personnel. By doing so, the Department will ensure its personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the community. The Grover Beach Police Department seeks to provide on-going training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels, and legal mandates. Whenever possible, the Department will use courses certified by the California Commission on Peace Officer Standards and Training (POST).

Disclaimer: The Grover Beach Police Department does not keep a record of, nor have access to, the training materials that were presented by outside training courses, seminars or conferences. All requests for those training materials are referred to the responsible training course provider. The Daily Training Bulletins provided by Lexipol are subject to copyright and will not be provided. All requests for those training materials are hereby referred to Lexipol.

The following is a comprehensive listing of the training courses attended by Grover Beach Police Department employees during 2020.
